B. Fire Department Portable Pump: The Fire Department requests authorization to purchase a portable pump, costing approximately \$1,100, with contributions from the Caledonia Area Firefighters Support, Inc. and from the Relief Association Gambling Account, each in the amount of \$550.

Council Action:

C. Reserve Police Badges: The Reserve Police have returned information concerning the cost of the badges requested to be purchased by the City. As a reminder the badge numbers are being changed because of a new system for state wide numbering which will change the Caledonia police force from a 400 series to 100 series. In order to avoid complications in the event of future changes, the reserve police badges will be numbered with only a 2 digit number so that if the 100 series ever changes to something different, the badges now to be ordered will still suffice. Costs of the badges are \$25.99 each with a request to purchase 10 badges for a total cost of \$279.89, including \$19.99 for shipping expense.

Addendum #9

- D. Sanitary Sewer Back-Up: Regarding the sanitary sewer back-up of last August, I shall review the recommendations of Allied Adjusters and request clarification of the Council's wishes on how to proceed.
